

ENVIRONMENTAL POLICY STATEMENT

It is the policy of Northbank Demolition Company Ltd to protect the environment through sound practices that reduce waste generation and minimise risk to the environment.

To meet the objective of this policy:

- The Company will promote awareness to the workforce concerning their environmental responsibilities and ensure they participate in the prevention of accidents and co-operate to prevent the release of harmful substances to the environment.
- Fully comply with the law, current legislation and regulations and to take a proactive approach to future legal requirements and obligations.
- Ensure that everybody within the company has a duty of care for the environment, its habitats and biodiversity.
- Maintain plant and machinery to the highest standard to ensure a minimal risk to the environment.
- Measure performance and set objectives that will be regularly revisited with the aim of continual improvement by reducing, re-using or recycling in areas such as: Water consumption, Waste materials produced and Energy consumption
- Gain support from our customers and the public to ensure that they are made aware of our environmental policy.
- Work with our suppliers and contractors to ensure that they are made aware of our policy and that they have compatible policies for managing their impact on the environment.
- Regularly conduct reviews to ensure the company operations remain compliant with this policy and to set or revise targets to ensure continual improvement for the future.
- Provide all of our employees with the information, instructions and training necessary to fulfil this policy.
- To review environmental procedures to ensure that standards are being met.
